Acryl-W

Product Descriptions

Acryl-W is a high quality acrylic dispersion sealant. After application the product forms a soft plasto-elastic rubber by evaporation of water from the sealant.

Applications

Acryl-W has been especially developed for sealing connection joints between stairs, walls, ceilings, skirting boards, window-sills, wooden, concrete and brickwork. In- and outside* applicable.

**Exterior applications only in good dry weather conditions for at least 5 hours after application.*

Acryl-W
